Re: Notice of Material Change

Dear Valued Customer:

This is to notify you that National Power Company finds it necessary to raise the price it charges you for electricity to 15.3¢ per kWh. This new rate will go into effect 45 days from the date of this letter unless you cancel your Agreement with National Power no later than 10 calendar days before the effective date of the change. No early termination fee will be assessed should you choose not to accept this Material Change to our Agreement. This notice is given under the Paragraph 15, Material Change, of the Agreement National Power has with you to provide electricity to you.

Should you have any questions concerning this notice, feel free to contact us at customercare@nationalpowerco.com or call 1-877-333-7693.

We appreciate your business.

Sincerely,

Richard Hunter
President
